Federal School Lunch Program: If your child(ren) participated in the Federal School Lunch Program last school year or if you would like to apply for this year:

- Returning students to the program must complete a NEW meal application at the beginning of the school year. Complete one form per family including all your children enrolled in 4J schools, no matter what other program you have been accepted to. Go to the Nutrition Services Department on the 4J School District web site, to complete a meal application.
- If a NEW form is not submitted, you will be dropped from the program and charged full price for meals, beginning October 13, 2018.
- Those new to the program must also complete one form per family, including all your children enrolled in 4J schools. Please be aware that applications can take up to 5 – 7 days to process.
- Students are considered approved when they have received a letter from Nutrition Services stating that they are approved for the meal program. Until that time, you are responsible to provide meals for your child either from home or paying full price for meals at school.
- While on the Federal Lunch Program, students are not allowed to only take a milk or juice. They must either accept the whole meal or bring cash from home to purchase only the beverage to accompany a sack lunch from home.

Account Balance:

- Negative account statements are mailed home twice a month for those students with a negative meal account balance.
- Pay for meals on-line, with a credit or debit card. Signup on *mymealtime.com* by using your child's student ID number, which is available by calling the Nutrition Services office at (541)790-7656.
- Pay for meals with cash or check (payable to 4J Food Services) directly to the kitchen or office.
- All account balances (negative or positive) are carried over to the following school year, even if the student is moving to a different 4J School.
