

The NEW Ins and Outs of Dismissal and Parking

Thank you for helping create a safer and more efficient system.

- ✓ Families should complete a transportation form that gives details and routines for their children's after school plans.
- ✓ Please use only the main parking lot for drop off, pick-up and parking; making the side parking lot for staff and daycare vans **ONLY**.
- ✓ You may stop along the yellow curb to pick up your child. *Please DO NOT park!*
- ✓ Please have your child use sidewalks and clearly marked crosswalks to meet you. Crossing lanes of traffic, bus lanes or parking lots is very dangerous!
- ✓ Students will only be released to adults listed on their emergency contact lists.
- ✓ Understand that teachers can't conference/meet until after 2:20 when their school-wide bus duty is complete.
- ✓ Students not gathered by 2:20 will be in the office.
- ✓ Students will be instructed to meet siblings/peers at gathering spots outside of the building if walking/biking or on the bus.
- ✓ Understand "Parent Pick-up" is at the front of the building and that students will meet there as to not interrupt classroom instruction
- ✓ Review the map below to familiarize yourself with the dismissal stations and traffic flow that may be new to you this year
- ✓ Understand the parking lot is a "no idle" zone and that the entire campus, parking lot included, is a "tobacco/smoke free" zone.
