

Meeting Minutes

Executive Board Meeting

November 1st, 2017 @ 6:30pm

Attendees: Mia Kubu, Gretchen Brillon, Ashlee Dixon, Beth Brex, Christina Anderson, Beth Hopkins

Auction

Moving forward with the auctioneer - PIA Auctions

Venue will be the same as last year - Holiday Inn

Auction software, Auctria has been purchased

Due to selling out most years, it was recommended that we either move to a larger venue and try to sell more tickets or charge more per ticket. Since we are staying in the same location as last year, we will consider raising ticket prices.

Jogathon

The district said that the money raised from fundraising done during school hours, on school grounds goes to the school, not the PTO.

PTO will continue to find volunteers to help run jogathon, but it will not be paying for student prizes next year.

We cannot incentivize earning money, so next year prizes will be given to the top runners only, not top earners.

Moving forward Gina will need to find ways to benefit the donors in addition to having their name on the jogathon t-shirts.

Site Council

Teachers will need to agree on how to spend the scholastic book fair money, so that it doesn't sit there all year.

General PTO Meeting

The next general PTO meeting on November 14th we will host two officers. One is a detective and one is a SWAT officer. They will be talking about online safety and what to be aware of as parents.

Gretchen will provide a few power point slides as an introduction, providing some background on why this information is important and some statistics on screen time, etc.

Other

Beth Brex is looking into possible donations for creating a more permanent track at Gilham. Next step is to contact Nike about their recycled shoe rubber for a track surface.

Brandy and Gina attended a "Parenting with Love and Logic" conference and are interested in presenting what they've learned at a general PTO meeting.
