The Power of
Drawing

Young Rembrandts

It's spring time and that can mean only one thing: **SPRINGTIME FUN WITH YOUNG REMBRANDTS**. If you think your student is a budding architectural genius, he or she will love our city skyline lesson. Maybe your artists would like to venture out into the wild as they create an intricate zebra drawing, or learn about cool and warm colors with the patterned flowers lesson and realism with the London bridge and our art history lesson focusing on Gustav Klimt. This is the after school program for them. Sign up today!
